

T. WHETSELL DUKES.

He advocates the readjustment of fire insurance system, such as will give both the insured and the insurer protection.

He is in favor of placing all county officers upon a salaried basis, provided the salary of such officers is sufficient to induce honest and thoroughly competent men to offer themselves for said offices. Fees to be collected as may be prescribed by law and turned into the county treasury.

T. W. Dukes is making this race upon his own merit, and if you can conscientiously give him your support on the twentieth of August, you may rest assured that he will give you the very best service that is in him.

You will not miss it by electing T. W. Dukes as one of your five Representatives from Orangeburg county.
